Dear Sir/Madam,

Kindly fill up the below format for our ready reference.

Brief about the Company	Origin Learning , winner of two CLO Awards, is a learning solutions, services and products company for Corporates, Publishers and Educational Institutions. We provide Content Development strategies and execution - from page turners to complex, interactive, 3D simulations. Our technology division provides LMS application services and solutions. We provide consulting in Learning processes and operations like Job Task Analysis (JTA) and Task to Training Matrix (TTM) that have been helping our customers optimize their learning process efficiencies. We offer learning operations support and design the outsourcing of such operations including doing it ourselves.
