Brief about the Company	9ine is an EdTech consultancy supporting schools around the globe with technology related cyber security, data protection, safeguarding, risk and compliance solutions. Our head office is based in London with satellite offices in North America, and India which enable effective service provision to our expanding client portfolio across the UK, in Europe, Asia, Africa and North America. At the heart of our growth strategy lies the development of our 9ine App that is transforming how schools and SMEs manage their data privacy, cyber security and technology services.
